

Multi-Roster Guidelines for The Academy

Often-times teams will have the desire to have players, either inside or outside the Academy, multi-roster on to their team. This document outlines our requirements and guidelines for this purpose.

All players need to have the required UYSA Multi-Roster Form filled out and signed by parents and both coaches, regardless where they are coming from to multi-roster. That form can be found under the "Resource" tab in the "Download Center" at utahyouthsoccer.net.

The UYSA fee for a season (Fall or Spring) is \$21.00 (U9-U11), \$25.00 (U12-U15), \$30.00 (U16+). For the full seasonal year, the fee is 2x those amounts.

- The Academy will cover the multi-roster fee for Academy Players multi-rostering to another Academy team. No additional payment is required from the player.
- Players coming from outside The Academy to multi-roster onto one of our teams will pay The Academy the applicable UYSA fee. We will then pay UYSA on their behalf.

Uniform Costs for multi-roster players are as follows:

- The Academy players will use their own full kits they received from their primary team.
- Others will buy a full kit (\$360.00).

Training Costs for multi-roster players are as follows:

- Academy players will be covered by The Academy.
- Others will pay the monthly training fee (\$70.00). Part-time training (1x/week) fee is \$35.00.

All multi roster forms should be sent to The Academy Certified Registrar and Operations Manager Dan Aubrey@redslopes.com. Payment can be made via Sports Engine or can be delivered or mailed to the Salt Lake office. Please contact Dan Aubrey to make arrangements or to address any questions you may have moving forward.

**** Multi-Rostered Players are Ineligible for the Club Pass Option****

****They CAN NOT Club Pass at any time****
